

# She's Not There

## The Zombies

Well, no one told me about her  
The way she lied  
Well, no one told me about her  
How many people cried But it's too late to say you're sorry  
How would I know, why should I care?  
Please don't bother trying to find her  
She's not there Well, let me tell you 'bout the way she looked  
The way she acts and the color of her hair  
Her voice was soft and cool, her eyes were clear and bright  
But she's not there Well, no one told me about her  
What could I do?  
Well, no one told me about her  
Though they all knew But it's too late to say you're sorry  
How would I know, why should I care?  
Please don't bother trying to find her  
She's not there Well, let me tell you about the way she looked  
The way she acts and the color of her hair  
Her voice was soft and cool, her eyes were clear and bright  
But she's not there But it's too late to say you're sorry  
How would I know, why should I care?  
Please don't bother trying to find her  
She's not there Well, let me tell you about the way she looked  
The way she acts and the color of her hair  
Her voice was soft and cool, her eyes were clear and bright  
But she's not there
