I'm Not Alone (radio edit)

Calvin Harris

Can you stay up for the weekend And blame God for looking too old Can we find all that you stand for

Has been replaced with mountains of goldYou cannot dream yourself to notice

To feel pain and swallow fear

But can you stay up for the weekend

Till next yearGod I can't do this any more

Though I'll be laid down on the floor

As many feet walk through the door

I'm not aloneIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not aloneIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not alone, noIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not aloneIf I see a light flashing

Could this mean that I'm coming home

If I see a man waving

Does this mean that I'm not alone, no
