

Play God

Strawhorse

(Verse#1)

Don't try to play god,
With this body of mine, alright!
Big Mac daddy above, got some plans for ol' me but I blew that chance!

(Fill)

Hey hey, oh oh, what do ya know?
All I wanna do is reinvent myself!

Hey hey, oh oh, what do you know?
All I wanna do is impress myself!

Impress myself!(x2)

(Chorus #1)

Might be said on the radio!
Save your soul let the money flow my way!
The holy wannabe!

(Verse #2)

Dying to know my debilities to,
It's just I should address!
The only thing addicting me,
Is people on drugs cause they're so depressed!

(Fill)

Hey hey, oh oh, what do you know?
All I wanna do is reinvent myself!

Hey hey, oh oh, what do you know?
All I wanna do is impress myself!

Impress myself!(x2)

(Chorus #2)

Might be said on the radio!
Save your soul let the money flow my way!
The holy wannabe!

(Try to play god!)
Might be said on the radio!

Save my soul let the money flow my way!
The holy wannabe!

(Bridge/Solo)

(Chorus #3)

Might be said on the radio!
Save your soul let the money flow my way!
The holy wannabe!
(Try to play god!)
Might be said on the radio!
Save my soul let the money flow my way!
The holy wannabe!!!
