

A Tendency To Start Fires

Bush

Strange zoo, strange blaze
Douse my head in flames
Coming through got to get some
Happiness is a bad son Forceps, kitchen tools
Deconstruct your every move
Feels better when you're here
Guillotine just got here Back bend, back break
Please yourself to make it rate
Live it all at your own cost
So many just got lost Leaning to fire
Leaning to fire
Leaning to fire Here's tomorrow man
Best of my ability
Chasing what I can
Here's tomorrow man Instinct, bare boned
Light it up, take it home
You will be all things
You'll get what you bring Leaning to fire
Leaning to fire
Leaning to fire Here's tomorrow man
Best of my civility
Chasing what I can
Here's tomorrow man
Best of my ability
Chasing water cans
Here's tomorrow man
Here's tomorrow man With our own tongue
With our own tongues Here's tomorrow man
Best of my ability
Chasing what I can
Here's tomorrow man
And I'll set you free
Chasing what I can
Here's tomorrow man
Here's tomorrow man
Here's tomorrow man
Here's tomorrow man
