

Never Alone (feat. Lady Antebellum)

[Jim Brickman](#)

May the angels protect you
Trouble neglect you
And heaven accept you when it's time to go home
May you always have plenty
The glass never empty
Know in your belly
You're never alone May your tears come from laughing
You find friends worth having
As every year passes
They mean more than gold
May you win and stay humble
Smile more than grumble
And know when you stumble
You're never alone Never alone
Never alone
I'll be in every beat of your heart
When you face the unknown
Wherever you fly
This isn't goodbye
My love will follow you, stay with you
Baby, you're never alone I have to be honest
As much as I wanted
I'm not gonna promise that cold winds won't blow
So when hard times have found you
And your fears surround you
Wrap my love around you
You're never alone Never alone
Never alone
I'll be in every beat of your heart
When you face the unknown
Wherever you fly
This isn't goodbye
My love will follow you, stay with you
Baby, you're never alone My love will follow you, stay with you
Baby, you're never alone So when hard times have found you
And your fears surround you
Wrap my love around you
You're never alone
