

Whenever You Want It

Clare Maguire

I think it's about time we had a discussion about us
And i think it's about time we turned off the tv and had a conversation
I don't wanna be alone, I just wanna have someone
I don't wanna be alone, I just wanna have someone
Who laughs at my shit jokes, won't break me when I'm already broken Whenever you want it, whenever you
want it
I'm ready, I'm ready, I'm ready for you and me I've had it with playing games, I've gambled on this love lost
hell before
And I don't want to quantify the multiple reasons why I am sure
I don't wanna be alone, I just wanna have someone
I don't wanna be alone, I just wanna have someone
who laughs at my shit jokes, won't break me when I'm already broken
Whenever you want it, whenever you want it
I'm ready, I'm ready, I'm ready for you and me
So simply could it be, move closer over to me.
Move closer, over to me
I don't wanna be alone, I just wanna have someone
I don't wanna be alone, I just wanna have someone
Who laughs at my shit jokes, won't break me when I'm already broken Whenever you want it, whenever you
want it
I'm ready, I'm ready, I'm ready for you and me
