

We Were Heroes

The Dirty Teens

Run for your life
leave behind who you are.
I've been so blind
the beast inside is the one you love.
And tell me is this over
I can't save us _____
and I will fight to find your lie 'cause you are never the _____ We were heroes,
we were heroes
with the scars inside our hearts
fading away.
We were heroes,
we were heroes
with the scars inside our hearts
fading away. We were heroes,
we were heroes
with the scars inside our hearts
fading away. We were heroes,
we were heroes
with the scars inside our hearts
fading away (We were heroes, heroes...)
We were heroes,
we were heroes,
we were heroes
but we lost our way.
