

Stay

Just a Band

Oh Oh Oh ooooooh (x3)
Oh oh oh stay
Every time you go away
It feels like you were never meant to stay
But then the emptiness left by you
Makes me know you're supposed to stay all through Oh Oh Oh ooooooh (x3)
Oh oh oh Stay
Maybe you really have to go
Maybe it's good for you
I don't know
If it were up to me uwwiii
Ungekaa hapa namiii
Maybe you really have to go go
Maybe it's good for you
I don't know
If it were up to me uwwwii
Ungekaa hapa nami-i-i
Oh Oh Oh ooooooh (x3)
Oh oh oh stay Oh Oh Oh ooooooh (x3)
Oh oh oh Stay
Stay stay stay
Stay stay stay
Stay stay stay
Oh Oh Oh ooooooh (x3)
Oh oh oh Stay
Oh Oh Oh ooooooh (x3)
Oh oh oh Stay
