

# It Comes and It Goes

Dido

Some days I want love and some days I don't  
Sometimes I can feel it then suddenly it's gone  
Some days I can tell you the truth  
And some days I just don't Only a change of mood, sun goes down  
Someone says something too quick or too soon  
A touch not made, one made too late  
Armies of words cannot hope to contain That it comes and it goes and I have no control Some days I can think  
clear and some days I won't  
Sometimes I can feel it and suddenly it's gone  
Some days I'm strong  
And some days my skin's broken and thin It arrives when it feels and takes what it needs  
And it leaves before I get to know  
It's only a step away moments  
Then armies of words cannot hope to contain That it comes and it goes and I can't make it hold  
And there's nothing I own and it breaks me when it goes Some days I want love and some days I don't  
Sometimes I can feel it then suddenly it's gone  
Some days I can tell you the truth  
And some days I just don't Only a change of mood, dream comes out  
Someone does something too quick or too soon  
A move not made, one made too late  
Armies of words cannot hope to contain That it comes and it goes and I can't seem to hold  
And there's nothing I own and it breaks me when it goes
