

I Take What I Want

Rory Gallagher

Oh, I take what I want
Oh, I'm a bad go-getter, yeah
Yes, I am, I'm never a loser
And I'm never a quitter, yeah Oh, no
'Cause I take what I want
Yeah, baby, I want you
Nobody but you, child I've been a-watching you walk by
But I never said a word, not one word
But now I'm 'round to get you
And I'm gonna make you my, girl My loving girl now
'Cause I take what I want
Yeah, baby, I want you
Nobody but you, child Gonna pick you up now
Carry you away, yes, I am
So you better pack up now, baby
Pack it up today Here I come, just a big, bad man
When you see me walk away, baby
You'll be holding my hand 'Cause I take what I want
Oh, I'm a bad go-getter, yeah
Yes, I am and now I'm 'round to get you
And I'm gonna make you my girl My loving girl now
'Cause I take what I want
Yeah, baby, I want you
Nobody but you child
(Listen to me) Nobody but you, you, you
Nobody but you, child
Oh, listen to me
Got nobody but you now
