Feels Like Tonight (Amanto Remix)

Daughtry

You, you got me thinking it'll be alright
You, you told me, "Come and take a look inside"
You believed me, every single lie
But I, I failed you this timeAnd it feels like tonight
I can't believe I'm broken inside
Can't you see that there's nothing that I wanna do
But try to make it up to you
And it feels like tonight, tonight
I was waiting for the day you'd come around
I was chasing, but nothing was all I found
From the moment you came into my life
You showed me what's rightAnd it feels like tonight
I can't believe I'm broken inside
Can't you see that there's nothing that I wanna do
But try to make it up to you
And it feels like tonightI never felt like this before
Just when I leave, I'm back for more
Nothing else here seems to matter
In these ever changing days
You're the one thing that remains
I could stay like this forever
And it feels like tonight
I can't believe I'm broken inside
Can't you see that there's nothing that I wanna do
But try to make it up to you
And it feels like tonight, tonight
And it feels like tonight, tonight
And it feels like tonight
'Cause there's nothing that I wanna do
But try to make it up to you
And it feels like tonight, tonight
