This Time

K'jon

This time I'll be there for you every night say a prayer for you
(this time)
I'm gonna open up gonna take your advice gonna show some love
(this time) and baby I'll be true
(I'm gonna make a difference)
this time I'm so in love with you this time
Last night tried to get some snooze
dreamed we was break ingup we were through,
when I looked around you was gone,
found that a house is really not home when your alone,
since you been away form me baby I was so wrong,
come back 2me baby
and I thought about my family where would I be without their unity
and my love for my people run deep n
when I struggle through the game they supporting me,
so many who are gone n now asleep rest in peace,
I knw I'm blessed woke up 2a second chance...
This time I'll be there for you every night say a prayer for you
(this time)
I'm gonna open up gonna take your advice gonna show some love
(this time) and baby I'll be true
(I'm gonna make a difference)
this time I'm so in love with you this time
Woke up turned on the news said to myself what is this world coming to (aww yee-es) this can't be true
baby I'm so scared scared of losing you
and I feel so helpless
I been waiting and waiting and Waiting and waiting just to catch my breath
my world is filled with noise
I need the calmness of your voice
don't let them take away my joy

cause without you there's an empty void
This time I'll be there for you say a prayer for you
(this time)
I'm gonna open up show you love
(this time)
baby I'll be true
I'm gonna make a difference)
this time I'll show you love baby

(this time) this time, this time
I can't describe feelings inside feel like I'm gonna die
and I can't hold back these tears n my eyes
no one can replace the smile upon your face
and it used to make my day I can't go on until I know that your ok
and it's not the same baby so I so I gotta tell you
This time I'll be there for you say a prayer for you
(this time)
I'm gonna open up show you love
(this time)
baby I'll be true
(I'm gonna make a difference)
this time
I'll show you love this time
This time I'll be there for you say a prayer for you
(this time)
I'm gonna open up show you love
(this time)
baby I'll be true
(I'm gonna make a difference)
