

# She Wants Me

## The Pigeon Detectives

I remember when we were young  
Things were easy, we had such fun  
And I know what we talked about  
But let's hope that they don't find out

'Cause everybody wants me  
Everybody wants me  
Everybody wants me now

'Cause everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you

Take your mind back to rainy days  
We stayed inside and played those games  
But you know what we talked about  
'Cause you prayed they would not find out

'Cause everybody wants me  
Everybody wants me  
Everybody wants me now

'Cause everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you

If you really cared for me  
Then you would take me with you  
If you really cared for me

Then you would take me with you

If you really cared for me  
If you really cared for me

I remember when we were young  
Things were easy, we had such fun  
And I know what we talked about  
Let's hope that they don't find out

Because everybody wants me  
Everybody wants me  
Everybody wants me now

'Cause everybody wants me  
Everybody wants me  
Everybody wants me now

But I just want you  
I just want you  
I just want you  
I just want you

It's over, oh so over  
Draw the curtain and turn me over  
Go back to the beginning again

It's over, oh so over  
Draw the curtain and turn me over  
Go back to the beginning again

I know you won't believe me  
But I swear to God it's true  
I know you won't believe me  
Well, what am I supposed to do?

It's over, oh so over  
Draw the curtain and turn me over  
Go back to the beginning again
