

# Mirror Mirror (Interlude)

Kelly Price

Oh God Wake up Kelly Okay you gotta get up  
You got a big day ahead  
(Door knock)

Come in

Kelly get up come on we gotta go  
We gotta get out of here  
You suppose to be at trainin' in 15 minutes  
at the gym

Okay I'm gettin' up I'm gettin' up now aight  
Just give me a couple of minutes and throw some  
music and get it motivated and I'll be outta here  
Alright

Whoa the mirror sho' lie in the mornin'  
Mirror Mirror on the wall who's the  
baddest diva of them all ha, ha, ha

You, you big momma come on get up  
Comb your hair girl you got to go  
You got things to do today you  
got records to sell you over here  
lookin' in the mirror what this  
mirror doin' for you?

Who ever's in that closet better get up  
out of there I know you ain't trippin'  
and trying to have jokes this early in  
the mornin' cause you don't look that hot  
yourself who ever you are in the mornin'

Man in the mirror who else you think it is

What?

You look at me every mornin'

Man in the mirror Oh god I know I'm tired now

I'm 'bout to go back to bed

Turn my song on and get on a dress and get on  
out of here come on we got's to move

Ooh

Kelly what you doin'?  
Come on we got to go you standin' here lookin'  
in the mirror like the mirror talkin to you  
what you doin'

The mirror, Yvette

Yo, Kelly let's go we gotta walk I don't know, no  
We gotta go come on we gotta go

The mirror it just, ass ooh God if only you knew

Gotta know if your for sure so tell me  
Do you love me? Love me?  
Gotta know if your for sure so tell me  
Check it out
