

Fresh Eyes

[Andy Grammer](#)

I got these fresh eyes, never seen you before like this
My God, you're beautiful
It's like the first time when we open the door
Before we got used to usualIt might seem superficial, stereotypical, man
You dress up just a little and I'm like, "Ohhh, damn"So suddenly I'm in love with a stranger
I can't believe that she's mine
Now all I see is you with fresh eyes, fresh eyes
So suddenly I'm in love with a stranger
I can't believe that she's mine, yeah
And now all I see is you with fresh eyes, fresh eyesAppreciation, well, it comes and it goes
But I, I'll ride that wave with you
It's human nature to miss what's under your nose
'Til you, 'til you remind a foolMaybe all of this is simple
My heart's unconditional, yeah
You dress up just a little and I'm like, "Ohhh, damn"So suddenly I'm in love with a stranger
I can't believe that she's mine
Now all I see is you with fresh eyes, fresh eyes
So suddenly I'm in love with a stranger
I can't believe that she's mine, yeah
And now all I see is you with fresh eyes, fresh eyesIf I could bottle this up, bottle, bottle this up, I would
I would bottle this up, bottle, bottle this up, I would
Cause you're gorgeous in this moment
If I could bottle this up, I wouldSo suddenly I'm in love with a stranger
I can't believe that she's mine
Now all I see is you with fresh eyes, fresh eyes
So suddenly I'm in love with a stranger
I can't believe that she's mine, yeah
And now all I see is you with fresh eyes, fresh eyes
