

Not Enough

The 88

Got a new revelation
Wrote on the wall
Ya I got a new inspiration
Watching you fall I put a hole in your pocket
That you never saw
Ya I put a hole in your pocket
You never saw So now you wanna get back all your love
That you say is coming in from above
And you promise that you got a new tune
Well that's not enough I got a new concentration
Cause you never call
Ya I got a new invitation
Watching you crawl So now you wanna get back all your love
That you say is coming in from above
And you promise that you got a new tune
But you never even know what to do What's the point of talking if that's not enough.
