Ohhhhh come on Mami  
Its R Time - Dont be shy, grab a guy and

Move your body  
Show em how it goes down when your Latinooo  
Come on Mami  
Its R Time - Dont be shy, grab a guy and  
Goooo  
Show em how it goes down  
De ti nunca yo me olvidare  
Ni de la forma que tu te mueves  
Este reggaeton quiero bailario con usted  
Me vuelve loco como ella se mueve  
My time to step up in this world  
This reggaeton wit Jeannie  
La candela let it burn  
So you could jump on this  
Or you could stay wit that  
But if you didnt know by now  
Right here is where its at  
So haters step aside  
And watch how we gon ride  
Ay bendito Im sorry that you tired  
But Im a do my thing  
Im gonna cross the line  
'cause we gon start this party  
And we gonna get it right

I keep it real wit you Im not a diva  
So shake you ass to this all night  
No te preocupes que llego tu flaco  
Esta noche quiero agarrate  
Para darte lo que quiera  
A mi me encanta coma bailas  
La cintura como la mueves  
De un diez le dio un nueve  
A ella le encanta mi tigueraje  
Y el tumbao que traje  
Mami dame de eso un chingo  
Contigo llgo hasta el fin  
Aterrizamos en san juan en un bote pa Quieesqueya  
Lo parqueamos por la playa  
Con la toalla en la arena  
Lena a le candela
