

Clenched Fist

Sepultura

Pain makes me
Stronger everyday
Life is chaos
You gotta deal with itExpressing my aggressions
Through confusion
Face reality
Nothing's like it used to beDon't tell me I don't know
You don't live in my war
Revolt and anger
I won't take it anymoreDon't get me wrong
(You don't know where I'm from)
Don't get me wrong
(You don't know where I've been)Don't get me wrong
(Been a painful way)
Don't get me wrong
(You wouldn't understand)Soul, mind, fist
Soul, mind, fistSoul, mind, fist
Soul, mind, fist
