By the Ocean

kid indigo

Come on girl take your back up off the wall
Throw your phone you don't need it anyway
Kick off your shoes while we walk through the sand
Lay by the ocean

Oh

That beautiful smile be stuck inside my head for awhile
I never meant to fall so hard for you
Perfect lips, 5'6 she's young and wild
And always a good time when our plans fall through
We sleep in the car
We chill at the park
But who would've known we'd make it this far
But the way she moves got me paralyzed
And I know this time I'm a be all ri-ght
Don't know about you but I'm
Going out to-night

Come on girl take your back up off the wall
Throw your phone you don't need it anyway
Kick off your shoes while we walk through the sand
Lay by the ocean

Your beautiful eyes
I love the way your hair falls down
I wish there was a way to see this through
And now ev-ery time
That you're around
Oh
I don't know what to do, yeah

I sleep in the car
I drink in the park
But who would've known we'd make it this far
But the way she moves got me paralyzed
And I know this time I'm a be all ri-ght
Don't know about you but I'm
Going out to-night

La da da da da da da
La da da da da da da da
La da da da da da da
I'm going out to-night

La da da da da da da
La da da da da da da da
La da da da da da da

I'm going out to-night
Come on girl take your back up off the wall
Throw your phone you don't need it anyway
Kick off your shoes while we walk through the sand
Lay by the ocean
(Repeat 1x)
