

Friend Like That (Acoustic)

Hawk Nelson

I like it simple and Im not a superman
I never said that I was more than that
Im not a wanna be, Im who I wanna be
And I intend to be how you created meI, I need somebody on the inside
I, I want somebody who can set me free
Im not the only one who feels like this
Ive got a few others around me, heyHey, let me hear you say
Make some noise if you feel this way
Hey, if youve got a friend like thatHey, lets scream and shout
If you know what Im talking about
Anybody got a friend like that?I once was little and I always had a plan
You thought my friendliness was just an act
Ill be your friend indeed and you can count on me
And I can guarantee your friend Ill always beI, I need somebody on the inside
I, I want somebody who can set me free
Im not the only one who feels like this
Ive got a few others around me, heyHey, let me hear you say
Make some noise if you feel this way
Hey, if youve got a friend like thatHey, lets scream and shout
If you know what Im talking about
Anybody got a friend like that?Does anyone out there feel alone?
Can anyone hear me?
Down and out your heart is cold, its never easy
But if you believe that there is hope then sing it with meHey, let me hear you say
Make some noise if you feel this way
Hey, if youve got a friend like thatHey, lets scream and shout
If you know what Im talking about
Anybody got a friend like that?Hey, let me hear you say
Does anybody feel this way?
Hey, if youve got a friend like thatHey, lets scream and shout
If you know what Im talking about
Anybody got a friend like that?I, I need somebody on the inside
I, I want somebody who can set me free
Im not the only one who feels like this
Ive got a few others around me, hey, hey
