

One Track Mind

The Knickerbockers

(Keith Colley - Linda Colley)

Verse 1:

There's no denyin' I've been cryin', yeah, without her

Somebody help me please, I can't forget about her

I've got a one track mind

Maybe I'm a stubborn fool

Somebody please

Tell me what to do [4: Waaaaahhh!]

Don't try to tell me some girl will be taking her place

I close my eyes and all I visualize is her face

I've got a one-track mind

I won't believe that girl is gone

Somebody please

Tell me I'm not wrong

I can see her by my side

But the more I stare

Makes me want to run and hide

When I find she's not there

I got a one track mind

One track mind
