

# The Way You Want It

[Lisa Stansfield](#)

Peepin' through your window  
You spy me walkin' to your door  
Maybe you are havin' second thoughts  
Like you did before, boy  
There's no hesitation on my part  
I want all I can get  
Boy you're playing with a naked flame  
And there's not much you can do about it[Chorus]  
Do it just the way you want it  
Do it just the way you feel  
Do it like you always like to do  
Do it like you always wanted toBaby, don't be foolish  
It's what you've wanted all along  
And don't you try to fight it  
Because the force is far too strong[Chorus x2]Baby, can't you see what's missin'At this moment I would love to  
know  
What's going on inside your mind  
Actions speak a lot louder than words  
Don't worry, what you're doin' isn't a crime
