

# All That Glitters

Ferry.Estreicher

...Funky life!

Funky Life  
I've been told  
All that glitter is not gold  
And gold is not reality,  
Momma, real is what you laid on me

Funky Life

Funky Life  
I've been told  
All that glitter is not gold  
And gold is not reality,  
Momma, real is what you laid on me
