Body High

Mike Taylor

I don't wanna come back down
The gravity won't keep me on the ground
You picked my heart when I was lost and found
Dark days until we move on
Just lose yourself all night all night all night with me
Just lose yourself it's alright alright alright, get freak!Just wave is rushing my brain, erasing my pain
I'm feeling my BODY HIGH, BODY HIGH
Your love is so hard too fight,
Got me out of my mind
You give me your BODY HIGH, such a BODY HIGH
I don't want to stop feeling the way you got me, got me flying high
I'm on the ceiling, I'm not gonna lie,
Highest cloud in the sky!
Just lose yourself all night all night all night with me
Just lose yourself it's alright alright alright, get freak!Just wave is rushing my brain, erasing my pain
I'm feeling my BODY HIGH, BODY HIGH
Your love is so hard too fight,
Got me out of my mind
You give me your BODY HIGH, such a BODY HIGH
I wanna thank y'all coming out tonight
I hope you feel as good as you look,
We got one rule tonight and one rule only,
and that rule is: Don't stop moving, don't stop, don't stop
Don't stop moving, don't stop
Don't stop moving, don't stop
Don't stop moving, yeah!
