

Let It Burn

The Dreaming

All my memories of a life forgotten.
The pictures, the letters that we wrote.
Hidden in the dark locked away forever.
Buried in a shoebox labeled burn.

Chorus

Let it burn.
Burn away the memories.
Burn, burn away the pain.
Let it burn 'til there's nothing left but ashes.
Burn, and the ashes blow away.
Let it burn.

Some nights when it rains I dig up your old pictures.
Dance with memories sour now with age.
I wish I could let go, walk out of this prison.
This shrine I have built around my pain.

Chorus

Let it burn.
Burn away the memories.
Burn, burn away the pain.
Let it burn 'til there's nothing left but ashes.
Burn, and the ashes blow away.
Let it burn.

Let it burn.

I cannot be free 'til there's nothing left but ashes.
Of my shoebox labeled burn.

Chorus

Burn.
Burn away the memories.
Burn, burn away the pain.
Let it burn 'til there's nothing left but ashes.
Burn, and the ashes blow away.
Let it burn.

Let it burn.

Let it burn.

Let it burn.
