

With a Child's Heart

Stevie Wonder

Oh yeah With a child's heart
Go face the worries of the day
With a child's heart
Turn each problem into play No need to worry
No need to fear
Just being alive
Makes it all so very clear That with a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason to frown Love is as welcome
As a sunny sunny day
No grown-up thoughts
To lead our hearts astray Take life easy, easy, so easy
Like a child so gay and carefree
Yeah yeah yeah yeah Love is as welcome
As a sunny sunny day
The whole world smiles with you
As you go your merry way 'Cause with a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason
