3rd Generation Nation

Dead Boys

There ain't no future and there ain't no past
There's just a graveyard and it's coming fast
Well, we want the truth, we're the modern youth
History has warned ya of and we're down to killWe're the 3rd generation nationI could make money playing corporate rock
I ain't got nothing, rather live in hock
Well, we can't be told, we're out of control
Adults they're afraid of me 'cause we're down to killWe're the 3rd generation nationNothing is new or hasn't been said, it's all been done before
Yet you're all laughing, laughing at me but don't cha laugh at me
The better world you tried to build exploded in your face
Yet you're laughing, laughing at meWe're the 3rd generation nation
