And She Said...

Lucas Prata

Wa oh
(Do you believe?)
Wa oh
(Do you believe?)
I'm driving home the road is wet it's raining
But I just can't wait to get to you tonight
The thought of what we did last night it's got me crazy
Now I can't think of anything but you
Do you believe we happened for a reason?
('Cause you know I do)
And could you believe that this was meant to be?
And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)
And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)
The way your body moves is so amazing
I just can't wait to show you what I do
The way you get so cool it must be freezing
Let me pull you close I'll give my heat to you
Do you believe we happened for a reason?
('Cause you know I do)
And could you believe that this was meant to be?
And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)
And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)
Do you believe (yeah yeah yeah yeah yeah yeah) do u believe (yeah yeah yeah)
And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)

And she said yeah yeah yeah (yeah yeah yeah)
Ooh oh (ooh oh)
Yeah yeah yeah (yeah yeah yeah)
Wa oh (wa oh)
