That's How It Goes

Marcia Ball

That's how it goes
When you feel so sad you feel so low
Life seems so bad I know, I know
That's how it goes
That's how it goes
You may think it's funny
But it always shows
Try to hide it honey, oh no, it shows
That's how it goes
Some people say
Everything's gonna be okay
Just give it a while
You'll find you're back
Back in style
But I don't know life will get better
I am sure they know
Sooner or later it shows, I know
That's how it goes
It's funny to see how easy life can be
Just sit back and smile
You'll find that life is worthwhile
That's how it goes
When you're on top the whole world knows
Wouldn't want to stop it, oh no, it shows
That's how it goes
That's how it goes
