Tiger Lou

off with our heads
they wanna see blood
we come down with a heavy and hollow thud
they'll work their way through all of our bones
a generation of people throwing stoneswe'll never see this place again
I will see to it
no-one will ever find us here
we'll never see this place again
I will see to it
no-one will ever find us here
no, no, no, nowe'll start a fire in every home
we'll start a fire in every soul
so call the cavalry
yes call the cavalry
no
we'll never see this place again
I will see to it
no-one will ever find us here
we'll never see this place again
I will see to it
no-one will ever find us here
no, no, no, no
no, no, no, no
