

# Last Goodbye

[Scarlett Johansson](#)

This is our last goodbye  
I hate to feel the love between us die  
But it's over, just hear this and then I'll go  
You gave me more to live for  
More than you'll ever know Oh, this is our last embrace  
Must I dream and always see your face?  
Why can't we overcome this wall?  
Baby, maybe it's just because I didn't know you at all Kiss me, please kiss me  
Kiss me out of desire, babe, and not consolation  
Oh, you know it makes me so angry  
'Cause I know that in time  
I'll only make you cry, this is our last goodbye Thinking so hard on his soft eyes  
And the memories offer signs  
That it's over
