Sex-o-matic Venus Freak

Macy Gray

Superlove is something that they say is very rare In the dark, In your world it's everywhere And I feel like an x x rated movie star It's the way you love me down It's the way you love me down Everytime we kiss you bring out the woman in me Everytime you holler out my name you set me free I am a sex-o-matic venus freak when I'm with you And I will stop it only when you tell me to I am the automatic easy freak all over you And I will stop it only when you tell me toSuperlove Gimme some, some, some We are the genius of love Feel like an x x rated movie star It's the way you love me down It's the way you love me down Everytime we kiss you bring out the woman in me Everytime you holler out my name you set me free I am a sex-o-matic venus freak when I'm with you And I will stop it only when you tell me to I am the automatic easy freak all over you And I will stop it only when you tell me toWhen we seek and hide When my hands are tied 69 Positions and Whip cream all over my skin Lick you from bottom to root Love to get down with you I am a sex-o-matic venus freak when I'm with you And I will stop it only when you tell me to I am the automatic easy freak all over you
