

Joey (Remastered 02)

Natalie Cole

Joey, Joey, Joey, where are you going?
Where will you sleep tonight, will you be alright?
Ooh, ooh, ooh, ooh, Joey, I really love you Won't you make here your home?
So you'll never live alone anymore, oh
We both took a ride on that merry-go-round We've seen a lot of faces of the same ole' clowns
But let's not be a part of that continuous game
Let's start a new life that will never change Joey, where are you going?
Won't you take me along?
Your place is my home, Joey, hoo, hoo There's no pot of gold at the end of the rainbow
True fortunes are deeper than the world is old so
We've got to dig up and plant love again
Just don't let it vanish, no and you settle My Joey, where are you going, where are you going?
Dont, don't, dont go, Joey, Joey, Joey, Joey
Don't you hear me calling, don't you hear me calling to you
Joey, Joey, Joey, Joey, Joey, Joey, Joey, Joey, Joey? Hoo, don't you hear me calling to you, Joey, Joey, Joey?
Don't leave me alone, I wanna be with you
I wanna go with you, I wanna be with you, Joey, Joey, Joey
