

The Larry Routine

Beastie Boys

Oh, this routine dates way back
A lot of people may remember this routine
But it's evolved, now
Yeah, from the summer before last

Well my name's Mike D but I got a new name
And that new name is Larry
Well my name is Adrock but I got a new name
And my new name is Harry
Well my name is MCA but I got a new name
And that new name is Gary
But our DJ's name has stayed the same
'Cause his new name is Bary
