## **Strange Machines**

## **The Gathering**

It has always been in the back of my mind Dreaming about going through corners of time I always wanted to fly in strange machinesI wanna do centuries in a lifetime And feel it with my hands Touch world war II and Cleopatra flying...Could it be that my dream would come true Building a machine that would actually do What I want to doRussian revolution, let's do it in one day Beethoven and Gershwin I think that would be OK More than anything I wanna fly in strange machinesI wanna do centuries in a lifetime And feel it with my eyes Watch Jesus rise. If he ever did Flying...I wanna do centuries in a lifetime And feel it with my hands Touch renaissance and Shaka Khan Flying...
