A Secret

Basia Bulat

A heart is so easy to keep
when I think of the curious look in your eyes and impossible
oh, only you could really know
i'll never let a little secret goall of the times you were near I forgot to say
'I'm a non-believer, but I'll pray to you every day
if it would make your eyes forever stay that way
if it would make you want to stay with me'all the times you've been far away, wondering
I've been uncovering words I've been waiting to say to you
oh, only you could really know
i'll never let a little secret go...
