

# Give Me One More Chance

Clifford T. Ward

Won't you give me one more chance, baby won't you try?

Won't you give me one more chance, baby won't you try? If you were here with me then I could explain

It doesn't have to be like this I'm to blame. Won't you give me one more chance, baby won't you try?

Won't you give me one more chance, baby won't you try? If I could talk to you just give me some time

I wouldn't ask you to but, I'm losing my mind. INSTRUMENTAL If I could talk to you just give me some time

I wouldn't ask you to but, I'm losing my mind

Give me one more chance.
