

Suffocating

The Word Alive

I'm [?]
Can't find my way out
I deserve an explanation
I lost myself in doubt
Waiting for a revelation
Do I deserve this shit
When you feel there's nothing left
That's when you'll find me dead Feels like I'm suffocating
I'm suffocating
The walls closing in on me
I'm suffocating Now I'm unable to breathe
[?]
It's like a disease
Catastrophy
[?]
Don't know if this will help
There's more than this in me
Don't know if this will help Feels like I'm suffocating
I'm suffocating
The walls closing in on me
I'm suffocating I'm suffocating, I'm suffocating Feels like I'm suffocating (I'm suffocating)
I'm suffocating
The walls closing in on me (closing in on me)
I'm suffocating
Feels like I'm suffocating (I'm suffocating)
I'm suffocating
The walls closing in on me (closing in on me)
I'm suffocating
