

Lie (The Vampire Diaries OST)

David Cook

You whispered that you were getting tired,
Got a look in your eye,
Looks a lot like goodbye.
Hold on to your secrets tonight.
Don't want to know I'm ok with this silence
It's truth that I don't want to hear You're hiding regret in your smile
There's a storm in your eyes I've seen coming for awhile
Hang on to the past tense tonight
Don't say a word,
I'm ok with the quiet.
The truth is gonna change everything. So lie to me and tell me that it's gonna be alright
So lie to me and tell me that we'll make it through the night
I don't mind if you wait before you tear me apart,
Look me in the eye,
And lie, lie, lie. Lie, lie, lie. I know that there's no turning back.
If we put too much light on this we'll see through all the cracks.
Let's stay in the dark one more night.
Don't want to know I'm ok with the silence.
It's truth that I don't want to hear. So lie to me and tell me that it's gonna be alright
So lie to me and tell me that we'll make it through the night
I don't mind if you wait before you tear me apart,
Look me in the eye,
And lie, lie, lie. Don't want to believe in this ending
Let the cameras roll on,
Keep pretending
Tomorrow's all wrong if you walk away
Just stay So lie to me and tell me that it's gonna be alright
So lie to me and tell me that we'll make it through the night
I don't mind if you wait before you tear me apart,
Look me in the eye,
And lie, lie, lie. So lie to me and tell me that we're gonna be ok
So lie to me and tell me that we'll make it through the day
I don't mind if you wait before you tear me apart
Look me in the eye,
And lie, lie, lie.
