Old Flame

Jill Barber

Old flame - burnt out long ago
I hope you know what you meant to me
There was a time when you were burnin' bright
An' I stood in your light
But it wasn't meant to beOld flame - I wonder have you changed?
Or are you just the same?
Old flame in the back of my mind
I still let it shine from time to timeInstrumental----------Old flame - I wonder have you changed?
Or are you just the same?
