

New Way Home

Foo Fighters

Have you found your way around the down and out?

I know it must seem long, so long

I'm still trying' to keep this time from runnin' out

Head down, always movin' on and on and on

I never heard this warnin'

Another early mornin' takes me, wakes me into

If you could manage me, I'll try to manage you

But lately it's all I ever do

I felt like this on my way home

I'm not scared

I pass boats and the Kingdome

I'm not scared

I'll never tell you the secrets I'm holdin'

I know these things must bore you

I can't find another way

I'll never tell you the secrets I'm holdin'

I love this leash that holds me

When I try to run away

I felt like this on my way home

I'm not scared,

I pass boats and the Kingdome

I'm not scared

I felt like this on my way home

I'm not scared

I pass boats and the Kingdome

I'm not scared

I felt like this on my way home

I'm not scared,

I pass boats and the Kingdome

I'm not scared

I felt like this on my way home

I'm not scared

I pass boats and the Kingdome

I'm not scared

I felt like this on my way home

I'm not scared,

I pass boats and the Kingdome

I'm not scared

I felt like this on my way home

I'm not scared

I pass boats and the Kingdome

I'm not scared
