Until I Found You

B.B. King

All of my life, I've been searchin'
For someone that's lonely too
I know my darlin', I found youI'm gonna make you happy
Oh, that's what I'm gonna do
I'm gonna do all I can for youWhenever I'm near you, oh, I can't control my self
My heart, it beats so fast until I know
I know this love is gonna lastNow, now my searchin', my searchin' is over
Oh, and I touch myself, I touch myself everyday
Because I never thought that anyone
Could make me feel this way
You know I never thought, I never thought
I never thought that anyone
Anyone could make me feel this way
