

Eye for an Eye

JIZZY PEARL'S LOVE/HATE

I thought we were supposed to be rich for the rest of our lives
Til the roof caved in and took me all by surprise
I used to be sentimental now I just get mental
It's a free for all---all the things that your money can buy
All the things that I coulda been til I found out that I couldn't swim
It's a cautionary tale when everything you do is for sale

Eye for an eye - took me down
Eye for an eye - turned me round
Eye for an eye - sold me out
It's hard to take you know it's hard to take
it's never hard to say goodbye

Livin life in a bubble never seein' the outside
When your Fool's gold is sold just enjoy the ride
It's hard to take when all your friends
Jump the ship when the party ends
Droolin' over the ship when the poor man dies
The women came and the women went
No more fame the money spent
It's a cautionary tale when everything you do is for sale

Eye for an eye - took me down
Eye for an eye - turned me round
Eye for an eye - sold me out
It's hard to take you know it's hard to take
it's never hard to say goodbye--that's right

Didya hear that sound?
Something's goin' down
Can we turn this ship around?
You know it's hard
you know it's hard to take
I'm just tryin to make it right
trying to make it right
Hey! You! Go to Hell!
