Learning To Fall

Boys Like Girls

Today is the day, the worst day of my life
You're so [Incomprehensible] me, I don't know why
The cost of misery is at an all time high
I keep it hidden, close to the surface in sight
I'm learning to fall, I can hardly breathe
When I'm going down don't worry 'bout me
Don't try this at home, pretend you don't see
I don't want to know that you know, it should've been me
Could you be with him or was it just a lie?
He doesn't get you like I do and you don't know why
You change your clothes and your hair
But I can't change your mind
Oh, I'm uninvited, so unrequited, now
I'm learning to fall, I can hardly breathe
When I'm going down don't worry 'bout me
Don't try this at home, pretend you don't see
I don't want to know that you know, it should have been me

Words screaming in my head, why did you leave?
And I can't stop dreaming, watching you and him
When it should have been, it should have been me
Today is the day, the worst day of my life
I'm learning to fall, I can hardly breathe
When I'm going down don't worry 'bout me
Don't try this at home, pretend you don't see
I don't want to know that you know, it should have been me
(I'm learning to fall, I can hardly breathe)
I don't want to know that you know, it should have been me
(Don't try this at home, you said you don't see)
I don't want to know that you know, it should've been me
(I'm learning to fall, I can't hardly breathe)
I don't want to know that you know, it should have been me
(Don't try this at home, you said you don't see)
I don't want to know that you know, it should've been me
