

# Learning To Fall

## Boys Like Girls

Today is the day, the worst day of my life  
You're so [Incomprehensible] me, I don't know why  
The cost of misery is at an all time high  
I keep it hidden, close to the surface in sight  
I'm learning to fall, I can hardly breathe  
When I'm going down don't worry 'bout me  
Don't try this at home, pretend you don't see  
I don't want to know that you know, it should've been me  
Could you be with him or was it just a lie?  
He doesn't get you like I do and you don't know why  
You change your clothes and your hair  
But I can't change your mind  
Oh, I'm uninvited, so unrequited, now  
I'm learning to fall, I can hardly breathe  
When I'm going down don't worry 'bout me  
Don't try this at home, pretend you don't see  
I don't want to know that you know, it should have been me

Words screaming in my head, why did you leave?  
And I can't stop dreaming, watching you and him  
When it should have been, it should have been me  
Today is the day, the worst day of my life  
I'm learning to fall, I can hardly breathe  
When I'm going down don't worry 'bout me  
Don't try this at home, pretend you don't see  
I don't want to know that you know, it should have been me  
(I'm learning to fall, I can hardly breathe)  
I don't want to know that you know, it should have been me  
(Don't try this at home, you said you don't see)  
I don't want to know that you know, it should've been me  
(I'm learning to fall, I can't hardly breathe)  
I don't want to know that you know, it should have been me  
(Don't try this at home, you said you don't see)  
I don't want to know that you know, it should've been me
