

# American Gangster

**Jim Jones**

American Gangster is what i want to be.  
the song goes thru my ears,but it's to loud.  
my feather used to be a gangster in his band.  
he was a mexaen then he turned into a american.  
so everyone called him AMERICAN GANGSTER.  
I became one just like him.  
i got in a band just like him.  
i did everything just like him.  
i came home my mother just stared at meee uh...i screamed just like  
him. then i looked him.
