BFF

PureNRG

Good times are behind us
Good times still to come
Can't help but smile thinking about
The crazy things we've doneNo way to know for certain
What the years will bring
Not too many guarantees
But there's just one sure thingBFF, BFF
You and me together
BFF, BFF
Always and forever
BFF, foreverLet the days unravel
Let the years unfold
I can hardly wait to see
What the miles ahead will holdFlying or falling
We'll face it side by side
Can't be separated
Come on and take this rideBFF, BFF
You and me together
BFF, BFF
Always and forever
BFF, foreverBest friends forever
We're best friends forever
BFF BFF
Always and forever yeah
BFF BFFBFF, BFF
You and me together
BFF, BFF
Always and forever
BFF, forever
