

On Jesus' Program

[Mark Lanegan](#)

On Jesus' program
I'll wade out in the deep
Oh yes, I will On Jesus' program
Oh, I cannot sleep
On Jesus' program
The Holy Spirit will creep I know He'll take me, shake me
Make me what I have to be On Jesus' program
I'm working for Christ
Oh yes, I am On Jesus' program
I know someday I'll rise
On Jesus' program
To mansions in the sky Where I'll be free to live on
To live on eternally I'm workin' on the program every day
When this life is all over
I'm going home
When this life is all over
I'm going home
