You Get Me

The Broken Family Band

Sometimes I feel so misunderstood
The whole world looks at me like I'm crazy
Sometimes my words don't come out like they should
Somehow you know what I'm sayingYou get me, you know me
We're connected, it's a soul thing
You read me like a book
You've memorized inside and outMy reason, my purpose
My deep down, my surface
You're the only one who's ever had a clue what I'm about
You get meWhen I'm with you, talk about comfortable
It's so easy to be myself
There are no games, no awkwardness at all
I've never felt this way with anyone elseOh, you get me, you know me
We're connected, it's a soul thing
You read me like a book
You've memorized inside and outMy reason, my purpose
My deep down, my surface
You're the only one who's ever had a clue what I'm about
You get meWhen you look at me I see
My reason, my purpose
My deep down, my surface
You're the only one who's ever had a clue what I'm about
You get me, girl you get me
