

New Sensation

Inxs

Live baby live
Now that the day is over
I got a new sensation
In perfect moments
There's some impossible to refuse Sleep baby sleep
Now that the night is over
And the sun comes like a god
Into our room
All perfect light and promises Gotta hold on you
A new sensation, a new sensation
Right now
It's gonna take you over
A new sensation, a new sensation Dream baby dream
Of all that's come and going
And you will find out in the end
There really is
There really is no difference Cry baby cry
When you got to get it out
I'll be your shoulder, you can tell me all
Don't keep it in ya
Well that's the reason why I'm here Hey hey, are you ready for
A new sensation, a new sensation
Right now
Gonna take you on a
New sensation, a new sensation
Trumpet A new sensation
Hey hey hey hey
A new sensation
A new sensation Hate baby hate
When there's nothing left for you
You're only human, what can you do?
It'll soon be over
Don't let your pain take over you Love baby love
It's written all over your face
There's nothing better we could do
Than live forever
Well that's all we've got to do Hey now, I'm gonna take you over
A new sensation, a new sensation
Right now

Gotta hold on you
A new sensation, a new sensation
A new sensation, a new sensationA new sensation
